VENDOR KIT · TERMS OF ENGAGEMENT

TERMS OF ENGAGEMENT

These terms apply to every Estudio Furia project and service, unless the proposal or the signed contract states otherwise.

ESTUDIO FURIA · 11.04.2026

01 SCOPE

Every engagement is defined in a written proposal: deliverables, timeline and fees. Any change of scope is agreed in writing before it is carried out.

02 PROPOSAL VALIDITY

Thirty (30) calendar days from the date it is sent.

03 FEES AND INVOICING

Quoted and invoiced in US dollars (USD). Projects: 50% on approval of the proposal and 50% on delivery. Monthly services: in advance, at the start of each month. Payment by bank transfer; local currency is accepted at the exchange rate on the payment date.

04 MEDIA SPEND

Spend on Google Ads, Meta Ads or other platforms is charged directly to the client's accounts, with the client's payment method. It is not part of the fees.

05 ACCOUNTS AND ACCESS

Domains, hosting, ad accounts, Google Analytics, Search Console and Tag Manager remain in the client's name. Estudio Furia works with named user access that the client can revoke at any time.

06 INTELLECTUAL PROPERTY

Deliverables become the client's property upon full payment for the project. Estudio Furia may show the work in its portfolio unless a confidentiality agreement prevents it.

07 CONFIDENTIALITY

Client information is used only for the project. On request, the parties sign the mutual non-disclosure agreement included in this kit.

08 PERSONAL DATA

Any personal data accessed is processed only to deliver the service, in accordance with the applicable data protection law.

09 TIMELINE

The schedule is set in the proposal. Delays in client inputs or approvals move the schedule by the same amount of time.

10 WARRANTY

Bug fixing in the delivered build is included for 30 days after delivery.

11 RESULTS

Estudio Furia commits to the method, the measurement and the deliverables. Rankings and results on third-party platforms (Google, Meta) are not guaranteed.

12 MONTHLY SERVICES

They renew month to month. Either party may end them with 30 days' written notice.

13 GOVERNING LAW AND JURISDICTION

The governing law and jurisdiction are agreed in each project's contract, according to the client's country.
